Subject: First Friends of Anderson and Reconfiguration

Doug,

Wanted you to be advised that at our specially called meeting held 9/23/12 following our regular worship First Friends of Anderson chose to be a "B" meeting. All members present were in agreement. As we proceed then, can you transmit this information to the task force or does that need to be accomplished with a letter at the upcoming representatives meeting? Let me know if you will. Thank you.

Jim Clark
