Indiana Yearly Meeting
4715 N Wheeling Ave
Muncie, IN 47304-1222

To whom it may concern,

This letter is in response to the invitation from the Indiana Yearly Meeting Reconfiguration Task Force, asking for input from monthly meetings to assist the task force in the reconfiguration process.

On July 11, 2012 during Farmland Friends monthly meeting, the Ministry and Oversight Committee, after review and discernment recommended Yearly Meeting B, as the type of yearly meeting that would be the best fit for Farmland Friends.

After a time of discussion and careful consideration in the manner of Friends, the monthly meeting of Farmland Friends Church approved the recommendation of Yearly Meeting B, as the best fit for Farmland Friends.

We appreciate the opportunity to be a part of the reconfiguration process, and our prayers for the task force will continue, as your work continues toward completing the process.

Sincerely yours,

A handwritten signature in blue ink that reads 'Stephen Howell'. The signature is fluid and cursive, with the first name 'Stephen' being more prominent than the last name 'Howell'.
