

## Indiana Yearly Meeting of Friends

January 22, 2012

Reconfiguration Task Force

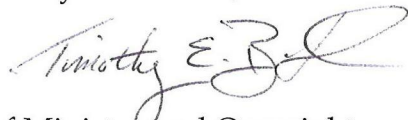

Knightstown Friends Church appreciates this opportunity to affirm our Meeting's stance within Indiana Yearly Meeting of Friends. From our church's beginning in 1876, we have faithfully supported Indiana Yearly Meeting of Friends. All organizations adjust and adapt and we feel Indiana Yearly Meeting has always prayerfully blended Scriptural Truth with societal changes, conscious that God's Will not be compromised by either human desire or His Holy Word be revised and amended for current personal condition or preference.

By mutual consent Knightstown Friends Church Monthly Meeting for Business chooses to remain as a subordinate member meeting under the direction of Indiana Yearly Meeting. With sincere desire we align ourselves with the Christian belief and behavioral guidelines of Indiana Yearly Meeting's Faith and Practice. **We choose Option B.**

Friends at Knightstown are also aware that there are IYM meetings that do not agree with this kind of alignment. We pray these meetings find another yearly meeting or alignment that will better unite their leadings.

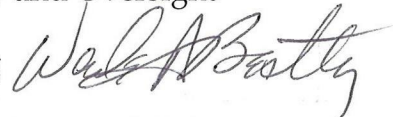

Respectfully Submitted,
