Indiana Yearly Meeting Reconfiguration Task Force:

Little Blue River Friends has held Indiana Yearly Meeting in our prayers. We have reviewed the information shared by the Reconfiguration Task Force. The discernment process included Ministry and Oversight, Monthly Meeting and an open Sunday evening session. We desire to be part of a yearly meeting that "has the power to set bounds and exercise authority over subordinate monthly meetings." We value the authority of Scripture and mutual accountability. We choose to continue to be a part of Indiana Yearly Meeting. We choose Yearly Meeting B.
