Dear Friends,

Westfield Friends Church stated its preference for Indiana Yearly Meeting B in a letter dated March 2, 2012.

Our Ministry & Oversight and Monthly Meeting reconfirmed that preference and approved Yearly Meeting B at Monthly Meeting held July 8, 2012.

Westfield Friends appreciates the fact that Indiana Yearly Meeting is "seeking a future that honors each other's consciences and understandings of scriptural guidance, and that is life-giving for all of our monthly meetings". We are encouraged by the level of trust and respect it has taken among IYM Friends to reach this point and recognize that we all must continue to listen to God's leading and to be careful in our dealings with each other.

Blessings,

Jeff Beals  
Monthly Meeting Presiding Clerk
