

White River Friends Meeting

August 29, 2012

White River Friends Monthly Meeting met and discussed the "Yearly Meeting A" and "Yearly Meeting B" options.

White River Friends fully support "Yearly Meeting B". We feel sexual sins are not acceptable in the church leadership positions or for the churches in Indiana Yearly Meeting or for that matter not acceptable period. The sinner must ask Forgiveness and change their ways as the Bible states in many different places.

Brian Edwards
Presiding Clerk

White River Friends Meeting
